

# International interdisciplinary workshop with IGU Executive Committee GEOGRAPHY AND ENVIRONMENTAL SCIENCES DISSEMINATION

Applying citizen science and geographical approaches to marine biodiversity  
Spring School SULIEIA DSU

**MORNING | 9:30-13:00**

**21.04.2026 | 09:30-17:30**

9:30 | Welcome coffee

10:00-11:30 | Opening

Matteo Lorito - Rector, Federico II University

Andrea Mazzucchi - Director, Department of Humanities (DSU), Federico II University

Nathalie Lemarchand - President, International Geographical Union (IGU)

Gilberto Sammartino - Chair, Mediterranean and Middle East Universities Network Agreement (MUNA)

Domenico Calcaterra - Director, CRISP Interdepartmental Research Centre, Federico II University

Simonetta Frascchetti - Spoke 1 Leader, National Biodiversity Future Center (NBFC), Federico II University

Antonio Acierno - Director, CirURB (A. Calza Bini) Interdepartmental Research Centre, Federico II University

Giulia Guerriero - Director, CIRAM Interdepartmental Research Centre, Federico II University

Maria Paradiso - Director, MarGeoLab, Federico II University | Vice-President, IGU

11:30-12:30

Q&A FOR NETWORKING

12:30-14:00 | Lunch break

**AFTERNOON ROUNDTABLES | 14:00-17:30**

**SPRING SCHOOL SULIEIA**

14:00-15:15

**SESSION 1 | GEOAI, DIGITAL HUMANITIES AND OPEN SCIENCE**

Chair: Michael Meadows - Nanjing University | Past President, IGU

Participants: Marco Bizzarini - Federico II University, DSU

Giancarmine Bongo - Federico II University, DSU

Raffaele Cioffi - Federico II University, DSU

Roberto Delle Donne - Federico II University, DSU

Pankaj Kumar - University of Delhi, IGU

Giuliano Langella - Federico II University, CRISP

Manuel Orabona - Federico II University, DIARC

Stefano Russo - Federico II University, DIETI | President, Consortium, CINI

15:30 | Discussion - Chair: Michael Meadows (Past President, IGU)

15:45-17:00

**SESSION 2 | GEOGRAPHY AND PLANNING FOR MARINE BIODIVERSITY AND CITIZEN SCIENCE**

Chair: Rubén Camilo Lois-González - Universidad de Santiago de Compostela, IGU

Participants: Antonio Acierno - Federico II University, DiARC

Anindita Datta - University of Delhi, IGU

Bojie Fu - Chinese Academy of Sciences, IGU

Noureddeine Guezgouz - Université de Soukahrass

Bernardo Mançano Fernandes - São Paulo State University, IGU

Stefania Palmentieri, Maria Paradiso - Federico II University, DSU | NBFC

Julien Panaget - Aix-Marseille Université

Ivan Pistone - Federico II University, DSU

Fabio Terribile - Federico II University, CRISP

Marek Wieckowski - Polish Academy of Sciences, IGU

17:00 | Discussion - Chair: Barbaros Gönençgil (Secretary-General, IGU)

17:15 | Conclusion - Chair: Nathalie Lemarchand (President, IGU)

Palazzo Gravina, Aula Magna

Federico II University, DIARC

Via Monteoliveto 3

## Scientific committee

Antonio Acierno, Holly Barcus,

Domenico Calcaterra, Anindita

Datta, Bojie Fu, Barbaros

Gönençgil, Eleonora Guadagno,

Pankaj Kumar, Nathalie

Lemarchand, Rubén Camilo

Lois-González, Bernardo Mançano

Fernandes, Phil McManus, Michael

Meadows, Stefania Palmentieri,

Maria Paradiso (Coord.),

Ivan Pistone, Gilberto Sammartino,

Fabio Terribile, Marek Wieckowski
